

Administrative Rule Fiscal Impact Statement

Date:

Agency: Environmental Protection Commission

IAC Citation: 567-Chapter 64

Agency Contact: Joe Griffin

Summary of the Rule:

Amendments to Chapter 64 reissue General Permits Nos. 1, 2 and 3 which authorize the discharge of storm water. General Permits 1 and 2 were issued in 1992 for a five-year duration, reissued in 1997 and again in 2002 for additional five-year periods and expire October 1, 2007. General Permit No. 3 was issued in 1997 for a five-year duration, reissued in 2002 for an additional five-year period and expires October 1, 2007. This action will renew all three, extending their coverage another five years to October 1, 2012. General permits for storm water discharges are required to be adopted as rules and are effective for no more than five years as specified in the Code of Iowa. Also, the stipulation that storm water discharge may commence 24 hours after the applicant submitted the Notice of Intent for has been removed and replaced with a requirement that discharge cannot commence until the discharge authorization has been issued by the Department.
